

## Health Services September 2017

EASD District Nurse/Supervisor  
Mrs. Wendy Zimmerman, MSN, RN, CSN  
262-723-3160 Ext. 1410

### Getting Ready for 2017-2018

3rd  
Grade  
Parents

1. Please bring, send, fax, or email your **4th Graders' Physical**.
2. Please bring, send, fax, or email your **4th Graders' Dental**.

4k/5k  
Grade  
Parents

3. **Physical Required:** A physical is required for 4K. 4K physicals will be used for Kindergarten physicals.

4. **Vaccine Requirements:** Students out of compliance with required vaccines will be excluded from school on **October 10, 2017**.

All  
Parents

5. **Need to See to Succeed:** Has it been more than 2 years since your child's last eye exam by an eye doctor? School screenings only find 40% of children with vision difficulties yet 1 in 4 children have a vision concern. **Most children** do not realize that they have a vision problem.

Parents  
of a  
Child  
with  
Health  
Concerns

6. **New Emergency Action Plans needed each year:** Student Plans of Care for emergency medication which require a physician signature and parent signature each year.

Emergency Action Plans are recommended for:

- ◆ Immediate-acting inhalers for asthma
- ◆ Epinephrine (EpiPen) for life-threatening allergies
- ◆ Diazepam/Versed for seizures
- ◆ Glucagon for hypoglycemia in diabetes

If your health care provider states your child no longer has Asthma, please update the online registration for School Health in the Emergency and Alert information. Thank you!

**Please bring, send, Fax, or email your child's physical forms, dental forms, new immunizations and the Emergency Action Plans to school**

### Online Sign-up Through Skyward Family Access for the Walworth County Seal Students' Smile Program!

The Program has registered dental hygienists providing individual dental education, cavity screening, a fluoride treatment, and sealants, as indicated, at school

for 4k/5k, 2nd, 5th and 6th graders whose parents sign up or return the forms.

The goal is for all students to have preventative dental care. Students with Medical Assistance/BadgerCare along with those students who do not have access to a dentist or do not have dental insurance are encouraged to participate in this **free program**. Students with private dental insurance are encouraged to seek regular dental care through their dentist. No student will be refused services based on their insurance coverage.

Elkhorn currently has no cavity-preventing Fluoride in the water.

Sign up online through Skyward Family Access or contact your child's school office for a permission form to be sent home today!
