

KINDERGARTEN EYE HEALTH EXAMINATION REPORT

The State of Wisconsin encourages parents of kindergartners to arrange for their child's eyes to be examined by **an optometrist or evaluated by a physician** by December 31 of the child's first year in school. An examination or evaluation should include, at a minimum, the elements listed below.

Name _____ Gender _____

Date of Birth _____ School _____ Date Entering KG _____

Parent or Guardian _____ Phone _____

Address _____ County _____

By checking the box, the examining doctor is indicating that the element checked was performed:

- Brief history (general health and eye health) of the child, including family history
- General external observation of the child's eyes and surrounding structures
- Ophthalmoscopic examination through an undilated pupil
- Gross measurement of peripheral vision
- Evaluation of eye coordination and function (alignment and motility)
- Visual activity for each eye (separately)

Findings:

As a result of this examination, follow-up care for the child is recommended: Yes No
